## UNIQUE SELLING POINTS (USP)

### WATER- AND DUSTPROOF - IP68

The Q3defend is rated IP68, which means it is waterproof, tested up to 10 meters. The Q3defend is the perfect tactical torch for all operations. It is resistant against dirt, dust, water and other challenges you put it through.

### TACTICAL TAIL SWITCH

The tactical tail switch is carefully shaped so that it can be used to break light surfaces. You will also be able to use it for self-defense. Inside there is an integrated clip hanger.

### STRIKE BEZEL

Use the strike bezel for self-defense or as an easy way to locate your torch in the dark. When switched on and placed upside down on a table, it will light up around the tip of the head.
