Product Overview

We provide 5 years limited warranty, which means that either we or our dealers will exchange any defective part of the lamp or the complete lamp within the warranty period. Warranty is invalid if it is clearly visible that damage is caused by abuse or mistreatment not following procedures of proper care and maintenance. Batteries are not part of the warranty.

This product is tested with Li-Ion 18650 batteries. We highly recommend to use Premium type batteries only to ensure high quality light output and long lighting time. We can not guarantee the light data if using battery types of lower quality

To protect the environment, this product is compatible with rechargeable batteries
