Li-ion 18650 battery

Car Charger

Product Overview

Thank you for purchasing our Suprabeam Q4xr.

Rechargeable power in a small and handy design.
Compact and extremely powerful.
Equipped with our Hyperfocus™ system and combined with the latest LED Power Chip technology.

We do our best to make the products meet our high standards.

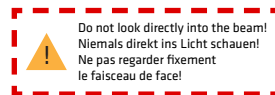

Should you unexpectedly encounter problems with the product, please contact your local Suprabeam dealer.

Register your product at www.suprabeam.com and get the latest information and news by e-mail

Mistakes and printing errors excepted

This product is tested with Li-ion 18650 batteries. We highly recommend using Premium type batteries only to ensure high quality light output and long lighting time. We can not guarantee the light data if using battery types of lower quality

To protect the environment, this product is compatible with rechargeable batteries
