Product Overview

Thank you for purchasing our Suprabeam Q7compact.

Equipped with the latest HighPower-Chip, current control electronics and combined with our Hyperfocus™ system Q7compact offers impressive light output.

We do our best to make the products meet our high standards.

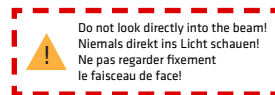

Should you unexpectedly encounter problems with the product, please contact your local Suprabeam dealer.

Register your product at www.suprabeam.com and get the latest information and news by e-mail

Mistakes and printing errors excepted

We highly recommend using Premium type batteries only to ensure high quality light output and long lighting time. We can not guarantee the light data if using battery types of lower quality

To protect the environment, this product is compatible with rechargeable batteries 1.2-1.5V (not Li-Ion 3.7V)

Do not look directly into the beam!
Niemals direkt ins Licht schauen!
Ne pas regarder fixement
le faisceau de face!
