Product Overview

Thank you for purchasing our Suprabeam V3pro.

Versatile, lightweight (170g) and comfortable. The Easy-Change battery box system features an intermittent, high visibility rear safety LED

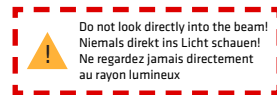

We do our best to make the products meet our high standards.

Should you unexpectedly encounter problems with the product, please contact your local Suprabeam dealer.

Register your product at  
[www.suprabeam.com](http://www.suprabeam.com) and get  
the latest information and news by e-mail

We highly recommend using Premium type batteries only to ensure high quality light output and long lighting time. We can not guarantee the light data if using battery types of lower quality

*To protect the environment, this product is compatible with rechargeable batteries 1.2-1.5V (not Li-Ion 3.7V)*
