MORE THAN MEETS THE EYE

A close-up photograph of a man with a beard and blue eyes wearing a black Suprabeam headlamp. The lamp is illuminated, casting a bright light. The background is a blurred workshop.

HEADLAMP

A photograph of a hand holding a black Suprabeam flashlight. The flashlight is illuminated, casting a bright light. The background is a blurred workshop with a red motorcycle.

FLASHLIGHT

METAL CLIP

**ENDLESS
MOUNTING
OPTIONS**

EXTRA MOUNT

**ENDLESS
POWER**

Charging the battery outside of the light, gives you the possibility to purchase a second battery which you can use in the light while charging the other. Indeed, a very useful feature for the professional user.

QUICK RELEASE MOUNT

Our development team has designed this mount specifically for the M6xr and has found the perfect balance between a tight grip around the light, and easy mounting and dismounting

ANGLE ADJUSTMENT

When using M6xr as a headlamp, it is easy to adjust the light angle to any situation you might encounter. The angle is easily adjusted by turning the multilamp in the mount.

WATER DUST PROOF

IP68

M6xr has received the IP68 classification, meaning that it is completely water- and dustproof. M6xr has been tested down to 2 meters. This means that you can use the light in every thinkable weather situation, without having to worry.

SAFETY FIRST

Professionals rely on our M6xr for a profound sense of safety. Designed with precision and durability in mind, it ensures consistent and dependable lighting. Whether you are a mechanic, an electrician, or working in any other field, our multilamp's performance will make you feel secure in your task.

**THE ULTIMATE
PRO SOLUTION**

VERSATILE

HELMET

MOUNTING

ADHESIVE MOUNT

M6r can be mounted on any helmet with the Adhesive Mount, which makes it ideal for use on hardhats. In addition, when using the Adhesive Mount or headband the M6r can easily be dismantled, for closer inspections, and clicked back onto the helmet again with ease.

WHEN SIZE MATTERS

COMPACT POWER

Our small yet powerful multilamp fits right into the palm of your hand, making it the ultimate companion for any adventure. Illuminate your path and conquer the darkness with our compact and powerful multilamp.

THUMBS UP

The shape and design of the M6xr helps you maintain the right grip and angle to illuminate your path effectively, but also reduce wrist and arm strain. Whether you're navigating in the dark, working on a task or exploring, the ergonomic position ensures a secure and efficient use of your multilamp.

110°

ERGONOMIC DESIGN

Say goodbye to uncomfortable handling and hello to effortless control. Whether you're navigating a dimly lit trail or tinkering in tight spaces, our ergonomically designed multilamp guarantees a seamless and comfortable lighting experience like never before.

As well as with all other Suprabeam headlamps, the headband is equipped with two silicone stripes on the inside, making it stay in place when moving around.

SILICONE STRIPES

Whether you're navigating through a sweltering summer hike or braving the icy depths of winter, embrace the reliability of all-season lighting with our temperature-controlled multilamp.

COLD AND HOT

M6xr can be attached to any magnetic surface with the powerful magnet integrated in the bottom of the light. This is an extremely useful feature when using the M6xr for area lighting.

MAGNETIC

Our lens is carefully designed by our engineers to create the best possible light setting for outdoor users while being active.

MIXED BEAM

Suprabeam M6xr is CR123 compatible and can be used with 2x CR123 disposable batteries, instead of the included rechargeable battery.

CR123 BATTERIES

The electronic switch allows quick operation of the MAX POWER function and the integration of the advanced DIMMING function.

DIMMING

BIKE MOUNT

BIKING WITH M6xr

We provide our Bike Mount as an accessory, which works perfectly with the M6xr, making it easy to mount the light on a bicycle handlebar. If you prefer having your light on your helmet, the M6xr can easily be mounted with the strap mounts.
