UNIQUE SELLING POINTS (USP)

TURN AND TOUCH SWITCH

The switch allows the user to turn on a constant light or touch and hold for a quick inspection light, when the switch is slightly turned.

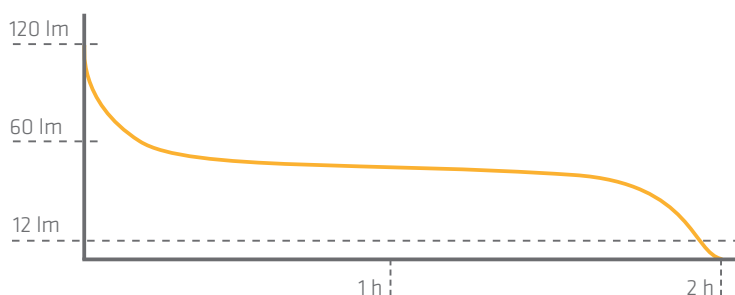

WATERPROOF - IPX8

The E1 is rated IPX8, which means it is waterproof down to 1 meter. Use the E1 in all weather conditions without being concerned about your light.

RUGGED DESIGN

The E1 is built for your essential needs and the rugged design makes it durable in almost every situation. Take the E1 with you everywhere and trust it to be your durable companion.
